

Our customers are the best!!

For the 10th year in a row, Corporate Autoworks has been voted by its customers as a winner in the annual Burlington Post Readers Choice Awards (2017). We were honoured to receive Platinum awards in the following categories:

Best Independent Automotive Repair Facility

Best Technician – Gavin Hill

Best Service Advisor – Stephanie Hill

It's an honour to be supported by one's customers for an award such as this; to be supported for 10 consecutive years reflects the close bond that exists between our customers and Corporate Autoworks. We appreciate the ongoing opportunity to ensure the safe and efficient operation of their vehicles. Even more, we appreciate the time that many of our customers take to share their thoughts and events in their lives. They become more than customers, they become our friends.

We cannot say, **“Thank you”** enough.
